Proposals regarding the revision of the Muzrai Establishment in various offices in the State, which were received from the Muzrai Commissioner last year had been kept by for disposal after the issue of orders regarding the contribution to be recovered from Muzrai Institutions in the State for the Muzrai Establishment Fund. Orders regarding the Fund are under issue separately and the amount that will be credited to the Fund every year is found to be Rs. 24,814. The proposals regarding the ~~expenditure~~ establishment have therefore been taken up for consideration now. The proposals made by the Muzrai Commissioner appear from the proposition statement in the file below and involve a total expenditure of Rs. 21306 p.a. charged to the Muzrai Fund. It is proposed to sanction them with certain modifications, at an additional cost of Rs 20,422½ p.a. The main features of the arrangements proposed to be sanctioned are:-

2. (1) In Taluk Offices where the Muzrai work is sufficiently heavy, a full time clerk ~~is sanctioned~~ may be allowed. The pay of the clerk is assimilated to the scale of pay obtaining in the Revenue establishment. In Taluks, where the Muzrai work does not require a full time clerk, an allowance at the rate of Rs. 5/- per mensem to one of the members in the existing establishment is proposed. In taluks in which the contribution recovered from institutions is small and the work involved is, therefore, likely

to be inappreciable, the work will continue to be done by a member of the existing establishment -- without any additional remuneration as heretofore.

3. (2) In District Offices, existing arrangements will continue. The Muzrai clerk will continue to be paid from State Funds, except in the Mysore District, where a separate Muzrai establishment has been sanctioned at the cost of Muzrai Funds. For helping Local Muzrai Officers in inspecting the working of the institutions and checking their -- accounts, it is proposed to employ five auditors for audit and inspection in the Districts. There will be a Senior Auditor on Rs. 100/-, another on Rs. 80/- per mensem and three other* auditors on Rs. 60/- per mensem. There are already two Auditors who will be Senior Auditors. For the other places, energetic officers with experience of revenue and Mugtag accounts work should be employed. The duties of the auditors will be defined in detail separately. They are expected to work directly under the control and orders of the Deputy Commissioners of Districts, subject to the instructions issued by the Muzrai Commissioner. He will be competent to order any investigation and audit by the auditors, and as regards the institutions under the immediate charge of the Muzrai Commissioner, the Auditor allotted to the relative district will

up the audit work of the institutions.

4. (3) The revision of the Muzrai Commissioner's Office as proposed involves an extra expenditure of Rs 459 per annum. It may be noted, in this connection, that certain proposals which had been previously received from the M. C had been ordered to lie over. The total extra cost, as then proposed was Rs. 1,948/- p.a. There is need for the revision of the establishment, as the work in the Muzrai Commissioner's Office is now much heavier than previously. It is also necessary to assimilate scales of pay in this establishment to those obtaining in the Revenue Department. In this view, the proposals of the Muzrai Commissioner have been carefully scrutinised and certain reductions proposed with the result that in lieu of the extra cost of Rs. 1,948/- previously proposed, there is now an extra cost of only Rs 459/- per annum. of which Rs 422/8 are to charge to State Funds and 36/8, to Muzrai Fund.

5. The establishment in this office has hitherto been charged partly to the Muzrai Establishment Fund, partly to State Funds and partly to the General Muzrai Fund, the hands being also allocated to the different funds. This is a very inconvenient arrangement. The ~~extra cost~~ future staff of the Muzrai Commissioner's Office will be treated as a single unit and the cost debited equally to the Establishment Fund and State Funds.

14. File returned with compliments.

15 2. A statement giving details of proposals - originally made by this office, the modifications suggested by Government and the further proposals of the undersigned together with a proposition ---- statement in duplicate, so far as the Muzrai ------- Commissioner's office is concerned, is put up for -- facility of reference.

16. The modifications suggested as regards ----- (1) the Scale of pay of the Head Clerk,

and (ii) the retrenchment of one Clerk on 30-0-00 are agreed. In the draft order, it is proposed to limit the pay of the Senior Clerks (including the Sub-Overseer) to a maximum of Rs. 30/- and to ----- reduce the menial establishment by three. As far as this is concerned, ~~Vide G.O.~~ Revenue Secretary's letter No. 369/M.F. 208-27-1 dated 10th August 1928 ~~in which Government have~~ laid down that the ------- standard of pay for both offices should be the ---- same. This permits of interchanges and as it is very important, ultimately to combine both the ---- offices, it is not desirable to have varying ------ scales of pay. The additional cost as shown in the margin is only Rs. 33-5-4 a month, and I am strongly of

that in order to save this small amount it is not expedient to adopt a different standard.

18 It is not therefore possible to reduce the menial establishment by more than one hand. # The above proposals result in a total cost of Rs. 1094 5/12 ~~5/12~~ a month against Rs. 1037 1/12 proposed by ---- Government . As a moiety of this is to be charged to State Funds, the net addition will be Rs 63 7/ a month or Rs. 766 ½ a year to the present -------- budgetted allotment of Rs. 483 1/3 per mensem.

19. 3. In regard to the Comptroller's office it is proposed to retain one accountant on 65-5-100 and one Clerk on 30-3-60-2½-65 at the same progressive scale already obtaining in the Comptroller's office There may be scope for reduction in this direction. will fix the period for which they are to work in t Districts concerned in consultation with the Deputy Commissioner every half year. It may be possible t reduce the number after we have brought the whole --- System of Muzrai Accounts to some system and I would therefore prefer the arrangement to appoint a separat man for each District immediately and to have three auditors thereafter. But if Government are not in favour of this proposal, it is sufficient to have four auditors.

22. The draft and the appendicies do not make any provision for the contingent and travelling charges o Auditors . A sum of Rs. 1,000/- has already been -- allowed on this behalf. This is not likely to be -- sufficient having regard to the increased number of Audiors now proposed to be employed. A sum of Rs. 1350/- has therefore been proposed.

23. 5. The draft order proposes not to allow any ---- Clerks to Deputy Commissioner's offices, except Mysore and Hassan and to limit the pay of the clerk of the latter office at Rs. 30/. only.

24. From previous experience it may be safely ----- stated that the Muzrai Work in the Bangalore and ----- Shimoga Districts is very heavy and that help is ---- urgently needed. The work connected with the ----- Pheemanakatte Matha seems to require the services of a full-time clerk let alone the work of the office ----

proper. Moreover, the Matha contributes a fairly large amount to the Muzrai Establishment Fund. The Deputy Commissioners of Bangalore Districts has been repeatedly asking for relief. It is therefore ------ proposed that each of the two Districts of Bangalore and Shimoga may be allowed a clerk on Rs.40/- and that the pay of the clerk of the Hassan Deputy Commissioner's Office may be raised to Rs. 35/- to permit the ------- entertainment of a competent official.

5 6. The draft order proposes to fix the pay of full-time Taluk office Clerks at Rs. 30-1-25 and Rs.25-1-30 to assimilate to the scale obtaining in the Revenue Department . From Appendix P to the Budget Estimates of 1927-28 (Page 104) it will be kindly seen that the above scale of pay prevails in only a few Taluks and in the majority of cases fixed pay has alone been allowed. It is therefore proposed to entertain 13 full-time ---- Clerks on a uniform pay of Rs. 25/- a month.

6. The proposal to give an allowance of Rs. 3/- in some Taluks may, as proposed by Government be dropped for the present.

7. 7. The Financial aspect of the above proposals will be as follows:

INCOME:-

(1) Estimated income of the Muzrai Establishment fund as per C.O. No. 1220-4 Mun 34-26-6 Dated 31st Jan 1928 (inclusive of the 5 P.C. reserve contributed from State Funds)... Rs. 24,814- 0- 0

Subject:—

Revision of the Muzrai Establishments in the State.

In Government Order No. 1220-21/Muz.241-26-6 dated 31st January 1928, sanction was accorded to the rates of contribution to be recovered from Muzrai Institutions for the formation of the Muzrai Establishment Fund, and the Muzrai Commissioner was requested to have the amounts of contribution for the year 1926-27 as well as for the current year adjusted in the accounts of the respective institutions and credited to the Fund. The Muzrai Commissioner has now submitted proposals for the employment of the necessary staff in the Taluk and District Offices and for the revision of establishments in his and the Comptroller's offices for attending to Muzrai work. These proposals have been scrutinised and a draft Order has been prepared sanctioning the necessary establishments for Muzrai work in the Taluk and District Offices and revising the present establishments in the Offices of the Muzrai Commissioner and the Comptroller.

The proposals embodied in the draft Order may be graciously approved.

O r d e r No: [illegible]

Bangalore dated [illegible] 192

The Muzrai Commissioner has proposed the employment of a full time clerk for each of 13 Taluk offices for attending to Muzrai work For the remaining Taluk offices, he has proposed the grant of an allowance of Rs.3/- or Rs.5/- per mensem to a member of the existing establishment for attending to this work. The pay proposed for the full time clerks ranges from Rs.20/- to Rs.35/-.

2. Government consider that in the Taluks in which the contribution to the Muzrai Establishment Fund is small, the work connected with Muzrai Institutions is likely to be inappreciable and that no allowance need be

be sanctioned to the clerk attending to this work in such Taluks. Where there is sufficient work to justify the grant of an allowance, it may be fixed at Rs.5/- per mensem. In the Taluks, where full time clerks are necessary, the rate of pay to be allowed to them will be fixed at Rs.35/- per mensem.

3. For District Offices, the Muzrai Commissioner has proposed the employment of a clerk on a pay of Rs.40/- per mensem uniformly in all Districts except Mysore where it is proposed to continue the present establishment, costing Rs.1,548 per annum. There is a Muzrai Clerk in the Hassan District Office paid from the funds of certain institutions in that District. The Muzrai work in the Bangalore and Shimoga Districts is represented to be heavy and a Clerk on Rs.40/- to each of these two Districts is therefore sanctioned. The Muzrai Clerk in the Hassan District Office will continue and his pay will be raised to Rs.35/-. The existing staff in the Mysore District Office will be confirmed. As regards the other Districts, the present arrangement according to which the Muzrai work is looked after by a clerk borne on the General Establishment paid from State Funds will continue. As percentage contribution to the Muzrai Establishment would will be levied according to the general scheme from all institutions in the Mysore and Hassan Districts, the entire cost incurred on the Muzrai Staff in these Offices will, hereafter, be charged to the Muzrai Establishment Fund.

4. Besides strengthening the staff [illegible] for Muzrai work in the Districts, Government

consider it necessary to have an agency to help the local Muzrai Officers in checking the transactions of Muzrai Institutions. The income side of the accounts of these Institutions requires greater attention. The account in the Taluk and District Offices should be overhauled and brought to order. There is delay in the submission of accounts by local Muzrai Officers which should be prevented. The entertainment of four Muzrai Auditors in lieu of two auditors now working is sanctioned and they will be employed as follows:-

The Senior Auditor on Rs.100 per mensem. will be attached to the Muzrai Commissioner's Office to check the diaries etc. of the other Auditors and to be in charge of the Bangalore and Kolar Districts; The Second Auditor on 80/- will be entrusted with the work in Mysore and Hassan Districts, with Head Quarters at Mysore; the third Auditor on Rs.70/- will be attached to Shimoga and Kadur Districts with Head Quarters at Shimoga and the Fourth Auditor on Rs.60/- to Tumkur and Chitaldrug Districts with Head Quarters at Tumkur.

Detailed instructions will be issued by the Muzrai Commissioner for regulating the work of the Auditors in the Districts in consultation with the Deputy Commissioners. For the places of Auditors, officers of the Revenue Department with experience of Muzrai work and accounts should be selected as far as possible.

The sum of Rs.1000 now allowed annually for travelling allowances and contingent charges of the Audit staff will be increased to Rs.1350/-.

5. As regards the Comptroller's Office, it is desirable that the Muzrai Staff in receipt of fixed pay should be assimilated with the rest of the Office Establishment and the Muzra Commissioner accordingly recommends that the Muzrai Establishment of the Comptroller's Office may consist of one Accountant on Rs.65-5-100 and one Clerk on Rs.30-3-60-24-65 at a cost of Rs.140 — 1/6/- a month instead of two Accountants at the aggregate cost of Rs.150 at present. This recommendation is sanctioned.

6. The proposals submitted by the Muzrai Commissioner for the revision of his office establishment involve an extra expenditure of Rs.1,048 per annum over the present scale. It is proposed to adopt the incremental scale of pay sanctioned for the clerks in the Revenue Commissioner's office. Government approve of the Muzrai Commissioner's proposals with some modifications, calculated to reduce the extra cost. There is no need for a clerk in the Engineering Section and the number of peons should also be reduced. The establishment is now shown under three parts namely State Funds the Muzrai Establishmen Fund and the Gene al Muzrai Fund. The whole establishme it will, hereafter, be treated as one and the cost of viz., Rs.13,133 per ~~mensem~~ anum should be charged equal proportions to State Funds and the Muz Establishment Fund.

7. The revised scale approved by Governme is detailed in the proportion statement and [illegible] appended to this order. The total cost of establishment as now sanctioned will [illegible] Rs.28,873 per annum of which Rs.[illegible] be chargable to State Funds against [illegible]

present cost of Rs.5,800 per annum and the rec to the Muzrai Establishment Fund.

8. The position of the Muzrai Establishment Fund will be as follows:-

Government Order No. 1220-21—Muz. 241-26-6, dated 31st January 1928, sanctioning the rates of contribution to be recovered from Muzrai Institutions for the Muzrai Establishment Fund.

2. Letter No. C. 664 of 22-23, dated 2nd February 1927, from the Muzrai Commissioner, submitting proposals for the revision of the establishment employed in Taluk and District Offices, and in the Offices of the Muzrai Commissioner and the Comptroller for attending to Muzrai work.

3. Unofficial Note dated 2nd April 1928, from the same officer.

ORDER NO. 2143-4—MUZ. 287-27-2, DATED 23RD MAY 1928.

The Muzrai Commissioner has proposed the employment of a full time clerk for each of 13 Taluk Offices for attending to Muzrai work. For the remaining Taluk Offices, he has proposed the grant of an allowance of Rs 3 or Rs 5 per mensem to a member of the existing establishment for attending to this work. The pay proposed for the full time clerks ranges from Rs. 20 to Rs. 35

2. Government consider that in the Taluks in which the contribution to the Muzrai Establishment Fund is small, the work connected with Muzrai Institutions is likely to be inappreciable and that no allowance need be sanctioned to the clerk attending to this work in such Taluks. Where there is sufficient work to justify the grant of an allowance, it may be fixed at Rs. 5 per mensem. In the Taluks, where full time clerks are necessary, the rate of pay to be allowed to them will be fixed at Rs. 25 per mensem.

3. For District Offices, the Muzrai Commissioner has proposed the employment of a clerk on a pay of Rs. 40 per mensem uniformly in all Districts except Mysore where it is proposed to continue the present establishment costing Rs. 1,548 per annum. There is a Muzrai Clerk in the Hassan District Office paid from the funds of certain institutions in that District. The Muzrai work in the Bangalore and Shimoga Districts is represented to be heavy and a Clerk on Rs. 40 to each of these two Districts is therefore sanctioned. The Muzrai Clerk in the Hassan District Office will continue, and his pay will be raised to Rs. 35. The existing staff in the Mysore District Office will be confirmed. As regards the other Districts, the present arrangement according to which the Muzrai work is looked after by a clerk borne on the General Establishment paid from State Funds will continue. As percentage contribution to the Muzrai Establishment Fund will be levied according to the general scheme from all institutions in the Mysore and Hassan Districts the entire cost incurred on the Muzrai Staff in these Districts will, hereafter, be charged to the Muzrai Establishment Fund.

4 Besides strengthening the staff employed on Muzrai work in the Districts Government consider it necessary to have an agency to help the local Muzrai Officers in checking the transactions of Muzrai Institutions. The income side of the accounts of these Institutions requires greater attention. The accounts in the Taluk and District Offices should be overhauled and brought to date. Detailed instructions will be issued by the Muzrai Commissioner for regulating the work of the Auditors in the Districts in consultation with the Deputy Commissioners. For the places of Auditors, officers of the Revenue Department with experience of Muzrai work and accounts should be selected as far as possible.

The sum of Rs. 1,000 now allowed annually for travelling allowances and contingent charges of the Audit Staff will be increased to Rs. 1,350.

5. As regards the Comptroller's Office, it is desirable that the Muzrai Staff in receipt of fixed pay should be assimilated with the rest of the Office Establishment and the Muzrai Commissioner accordingly recommends that the Muzrai Establishment of the Comptroller's Office may consist of one Accountant on Rs. 65—5—100 and one Clerk on Rs. 30—3—60—2½—65 at a cost of Rs. 140⅚ a month instead of two Accountants at the aggregate cost of Rs. 150 at present. This recommendation is sanctioned.

6. The proposals submitted by the Muzrai Commissioner for the revision of his Office Establishment involve an extra expenditure of Rs. 1,948 per annum over the present scale.
